CC #19

Circular Letter No. 455.

July 12, 1907.

To Superintendents.

Gentlemen:-

You are hereby advised that the Department will not renew the English certificate of teachers who are not elected as English graded teachers to teach in English grades during the coming school year. All such teachers will therefore be required, at the end of the year, to surrender their English graded certificates or to take a new examination.

You are requested to make this notice public by causing copies of this circular to be posted in your office and in some prominent place in each town of your district.

Respectfully,

E.W.LORD
Acting Commissioner.
